Hi Larissa,

I know we handed in feedback sheets at the end of the breakfast but I feel compelled to elaborate on what a profound effect this breakfast has had on me.

Let me start by saying that this was no doubt the best MTN breakfast I have ever attended. (I have been attending these for years now.) Never have I cried and laughed so much in one morning!

Your guest speaker was absolutely amazing! His speech made me re-evaluate my contribution to humanity in a way I have never experienced before. David is a true champion of our nation and someone we can all aspire to be like.

I can assure you that everyone who attended felt exactly the way I did! As for Kevin Perkins.....that was just the cherry on the top.....BRILLIANT!

Thank you to the MTN team for such an amazing morning. This is tough act to follow!

Warmest regards
